Subject: Phase 2 Rescission Filing in PS Docket No. 25-143

On behalf of the Illinois State Police, Division of Statewide 9-1-1, I respectfully submit this letter rescinding our previously submitted Phase 2 filing in PS Docket No. 25-143, [911-Authority-NG911-Valid-Request Form-Illinois-INDigital.docx](#), originally filed on January 12, 2026.

By this letter, we formally withdraw the Phase 2 filing referenced above from consideration. The State intends to continue working collaboratively with OSPs, service providers, and the Commission, and will submit revised filings as appropriate to support the successful deployment of NG9-1-1 in Illinois.

Should you require any additional information, I may be reached at Alicia.atkinson@illinois.gov.

Respectfully submitted,

Alicia Atkinson
