**Re: Notice of Ex Parte Presentation
Facilitating Implementation of Next Generation 911 Services,
PS Docket No. 21-479**

Dear Ms. Dortch:

On July 27, 2026, Paul Michael Athey, David Morrison, Michael Ball, and Kasey Hamrick of the South Carolina Revenue and Fiscal Affairs Office ("RFA"), the 911 authority for the state of South Carolina, together with Susan Ornstein and Jennifer Navarrete from the Allerium business segment of Comtech Telecommunications Corp., met with Rachel Waxman, John Evanoff, Brenda Boykin, Rasoul Safavian, Thomas Eng, and Alison Venable from the Federal Communication Commission's Public Safety and Homeland Security Bureau to discuss the attached presentation and update the Commission on the status of the NG911 deployment in South Carolina and concerns relating to ongoing noncompliance with one originating service provider in South Carolina. RFA respectfully requested that the Commission act swiftly to enforce the rules adopted in the NG911 Transition Order.

Respectfully submitted,

A handwritten signature in blue ink, appearing to read "PA", is written over a horizontal line.

NG911 Transition Status Update

July 27, 2026

South Carolina Revenue and Fiscal Affairs Office
Transforming data into solutions for South Carolina

Agenda

- Introductions
- NG911 Transition – Phase 1 Status
- OSP Noncompliance Concerns

NG911 Transition – Phase 1 Status

- RFA filed a valid Phase 1 request on June 25, 2025.
 - Filed an update on September 9, 2025 regarding South Carolina's addition of a third zip code/POI capable of receiving SIP traffic.
- Phase 1 compliance deadline:
 - National wireless carriers, LECs, and interconnected VoIP providers: December 25, 2025
 - Regional wireless carriers and RLECs: June 25, 2026
- South Carolina granted several OSPs' requests for extensions
- As of June 25, 2026, all OSPs in South Carolina have complied with Phase 1 obligations, except one

OSP Noncompliance Concerns

- On December 24, 2025, AT&T reached out to RFA requesting an extension of its Phase 1 deadline (December 25, 2025) through March 31, 2026.
 - RFA granted this extension request.
- AT&T failed to comply with the new March 31, 2026, Phase 1 compliance deadline.
- On July 7, 2026, AT&T contacted RFA to request a further extension through August 31, 2026.
 - RFA denied the extension and recommended that AT&T complete the Phase 1 migrations as quickly as possible.
- AT&T has indicated that it will still not be fully Phase 1 compliant by August 31, 2026

THANK YOU
