9-1-1 LETTER OF AGENCY

Department of Finance and Administration, NM ("NM911") has issued this Letter of Agency (LOA) establishing and authorizing Motorola Solutions Connectivity, Inc. (f/k/a Vesta Solutions, Inc., a wholly-owned subsidiary of Motorola Solutions, Inc.), as the 9-1-1 system service provider in support of NM911.

NM911 has authorized Motorola Solutions Connectivity, Inc., to include its affiliates and subcontractors authorized by Motorola Solutions Connectivity, Inc. to order Services and process records associated with 9-1-1 services and certain other public safety functions on NM911's behalf, including but not limited to originating service provider interconnection, ALL database services, 9-1-1 selective routing services, and text to 9-1-1 provisioning.

By this Letter of Agency, Motorola Solutions Connectivity, Inc. (and its affiliates, authorized subcontractors, and agents, if any) is given authority to act independently on behalf of NM911, as the 9-1-1 authority having jurisdiction for NM911 when those actions are in the best interest of NM911.

NM911 may revoke or override this authorization at any time by the issuance of a written notice referring to the nature and provisioning of services listed above and delivered to the originating service provider.

By this Letter of Authorization, NM911 provides its authorization for Motorola Solutions Connectivity, Inc. to direct the connection, disconnection, or rearrangement of NM911's 9-1-1 public safety circuits, services, databases, or other equipment and services as determined by Motorola Solutions Connectivity, Inc.

Motorola Solutions Connectivity, Inc. will not undertake the issuance of orders or rearrangements unless it has given NM911 a notice of such action specifying the date and time of planned work.

Communication to the parties shall be directed to:
